

## LADY NINERS

The Lady Niners is a casual group intended to provide a way to learn or improve golf in a relaxed environment. Although there are no dues, by-laws or officers, participants may be asked to volunteer for events and outings in the community. Additionally, from time to time, we are invited to participate in events sponsored by other groups in the area. Both are excellent ways to meet other golfers and further experience the social aspects of our community and the game of golf.

The focus of the group is to have fun while maintaining pace of play and observing the general etiquette of the golf course. If this appeals to you, contact Mary Ann Nemecek, Judy Smith or Ardie Rossi. After contacting one of us, you will be added to the Lady Niners roster and will begin receiving notification of sign up dates. A member volunteers each month to be the Captain. The Captain sends out emails to the entire membership to determine who is going to play. If you elect to play, the following steps will help you get started.

- 1) **Contact the Pro Shop and obtain a Chelsea Number.** This will allow the Captain to sign you up for the dates you wish to play. Chelsea is the computer system used to reserve tee times.
- 2) The monthly Captain will send an email to you asking which dates you would like to play in the upcoming month and if you have a golf cart. When playing during Twilight hours, the Captain also asks if you are going to play 9 or 18 holes. You only need to reply if you want to play.
- 3) The Captain will book the tee times in Chelsea; you will receive confirmation of your golf.
- 4) If you are unable to play after the reservation has been made, contact the Captain and advise them. If it is within 24 hours of play, also call the Pro Shop and cancel. If you are able, also contact a member of your group to let them know that you will not be playing.

- 5) Arrive at the course 30 minutes prior to the tee time to check in, pay the green fees and locate your playing partners. Two carts are allowed for each group. Captains try to pair the players to minimize cart rental, however, you may, on occasion, need to rent a cart.

Lady Niners golf at 1:30 PM October through May and at 7:30 AM June through September. We would love to see you and are sure that you will have a great time.

### **SBR Golf Course Policies**

Because the Lady Niners is a “social group”, it does not have a dedicated day or time reserved for it at the SBR golf course. We are able to play together as a group because the date and time of play is reserved in the Chelsea system as early as possible. In actuality, any resident of SBR can play any days of the week at any time, other than those tee times reserved by official golf organizations.

The Lady Niners have chosen to play every Tuesday and to play in the mornings in the summer and in the afternoons in the winter.

We play in the afternoon in the winter season and we may play up to 18 holes for the twilight/nine hole price. We play in the morning in the summer season, pay the 9 hole twilight rate and may not play 18 holes. In the summer, if we choose to play in the afternoon twilight time, we may also play up to 18 holes. There is not a stipulation that the group needs to move their times to the morning in the summer, but if we want morning times **and** nine hole rates, then this is necessary.

The Lady Niners Club is presented at "The Home of SaddleBrooke Ranch Clubs" [www.saddlebrookeranch.org](http://www.saddlebrookeranch.org).

Updated: 1/20/2017
